

Hurricane Expo - March 10, 2007

On Saturday, March 10th, Sarasota County Auxiliary Communications Service (ACS), had an information booth set up at the Hurricane & Flood Preparedness Expo 2007, at the Westfield/Sarasota Square Mall in Sarasota.

We answered questions from the public about what we do and about amateur radio in general. We also handed out fliers and information to those who stopped by.

We had one of our portable "jump kits" operational with it's portable tripod and antenna setup behind the table.

Those contributing to the 25 man-hours for this event, included:

Bob, KA4BOB
Eddie, K4JP
Dave, K9DAV
Mona, KI4PJC
Christine, KI4PJD
Blake, KE4SGK
Doug, KI4RHU
Ron, WD4AHZ

Ron, WD4AHZ
EC, Sarasota County
